
Take the time and trouble to master the secrets revealed in this book and you will quickly gain confidence and become adept at persuading others to adopt your ideas, accede to your requests and accept your points of view. Even if the idea of speaking in public puts the fear of death into you, you will find that you can be a power communicator in any situation - on a public platform, across a boardroom table or on the factory floor, talking on the telephone or using the written word.
